

Presby Hall

Suite-style residences at
University of Illinois

Welcome to **Presby Hall**, an incredible housing choice for students at the University of Illinois. Completed in 2008, this new residence provides the ideal environment for studying, building friendships, and enjoying everything else campus life has to offer.

Suite-style living

Presby Hall's beautiful, spacious suites were built to provide the best living environment available to Illinois students. Comprised of a living room, kitchen, two bathrooms, and either three or four bedrooms, the suite-style living arrangement provides a great combination of social and private areas.

- Each suite includes its own washer and dryer, thermostat for the central air conditioning and heating, cable and telephone data ports, window treatments, and wonderful outside balcony.
- The suite's living room is fully furnished with plentiful seating, including breakfast bar chairs facing into the kitchen. Wonderful natural light fills each living room through the balcony doors.
- The fully equipped kitchen includes a breakfast bar, spacious cabinets, abundant storage, double stainless sinks, and a microwave, in addition to the built-in dishwasher, refrigerator, and electric range.
- Residents have a choice of a single or double bedroom, each designed to maximize individual privacy. Every resident receives a single extra-long bed, dresser, desk, chair, shelves, and closet. Each bathroom is shared by only 2 or 3 residents.

A great location, in the heart of campus

Roll out of bed and into student life at the University of Illinois. Presby Hall is located in a beautiful spot on campus, within a 5- or 10-minute walk of the Illini Union, library, the Quad, ice arena, indoor running track at the Armory, and most academic buildings. Memorial Stadium, Assembly Hall, Krannert Performing Arts Center, and the Activities and Recreation Center (ARC) complex are also a short walk away.

Presby Hall is also situated adjacent to Campustown, with immediate access to dozens of stores, shops, and restaurants like Potbelly, Za's, Starbucks, Chipotle, Cold Stone Creamery, and Jimmy John's. A free city bus stop, just one block from Presby Hall, connects you to the mall, movie theaters, grocery stores, and anywhere else in Champaign-Urbana.

Go green

Presby Hall is the University's first "green" residence hall, achieving the Silver standard from the Leadership in Energy and Environmental Design organization. When Presby Hall opened in August 2008, it marked the first time Illinois students concerned about the environment could make a housing choice in line with their beliefs. Presby Hall utilizes a ground source geothermal heating and cooling system, so it takes much less energy to heat and cool the building.
